For the attention of – Michael Joyce

Dear Mr Joyce,

**Town and Country Planning Act 1990**  
**Stowey Quarry – Appeal Reference APP/F0114/A/13/2195706**

Please find attached a recent letter from the Environment Agency advising the Council that they would be able to attend the inquiry if the date could be postponed by one week to the 10<sup>th</sup> September 2013.

The Council appreciates that this is a somewhat late request but given that it was the Environment Agency's objection at the planning application stage that led to the refusal of planning permission by the Council their appearance would be to the benefit to all parties in reaching a decision in this matter.

Subject to the agreement of other parties and a suitable venue being available I would request that the Inquiry start date is postponed by one week to the 10th September.

For your information I have sent a copy of this letter to the appellant, the representative of the Stowey Sutton Action Group, the Environment Agency and David Elliot.

Yours sincerely,

Andrew Ryall  
Team Leader, Development Management
