Dear Mr Trigwell

STOWEY QUARRY STOWEY ROAD STOWEY

I write in response to your letter of 19 June 2013.

We would like to support your Council's stance at the upcoming Inquiry and I appreciate that you would like this to be more than further written representations. Unfortunately our expert witness is only returning to work during that week (we understand that the Inquiry dates are the 2 and 3 September). As you will appreciate it is difficult to hand this over to some-one else who has not dealt with the site and as a consequence will be less able to respond to the cross examination anticipated. To overcome this issue, are you able to ask the Inspectorate to provide a later date for the Inquiry to ensure that are expert witness can attend. A week's postponement would be sufficient to accommodate this.

I look forward to your, and your Council's support during this process.

Please let me know if our request can be accommodated, or whether you need anything further from me.

Yours sincerely
