Subject: Stowey Quarry. Appeal Ref: APP/F0114/A/13/2195706
Date: 12 July 2013 09:10:00

Dear Mr Joyce,

I have noted the comments of Paul Stookes advising you that if the Inquiry were moved to the week commencing 9th September at least two of the Rule 6 parties would be unable to attend. I have been advised that the Environment Agency suggested this date because it was as close as possible to the original date. However, other dates will also be considered by both the Council and the Environment Agency in an effort to allow the appropriate representative of the Environment Agency to attend.

Yours sincerely,
Andrew Ryall
Team Leader, Development Management
