Bath & North East Somerset Council Planning Application 10/04015/FUL
EA Ref: WX/2010/116570/01-L01

Dear Deborah,

Further to discussions between yourself and my colleague Thomas Shipp, we have pleasure in submitting to you our report on the access road bridge. The report seeks to address and answer all the questions you have raised on the bridge proposal in the Agency letter of 25th October 2010.

Please note that to the other questions raised in the same letter, Banner Gate, the FRA consultant, shall respond to these.

We ask if you can liaise with Andy Reading, to advise BANES planning officer, during the course of next week if possible, if you are satisfied that the bridge matters have been addressed.

If you have any queries, please contact me or Thomas Shipp.
