Comments

Submission Type:
Customer wishes to comment on the Planning Application.

Comments:

From a crime prevention point of view I have no objections to this planning application. All doors to the premises should be, where possible, to minimum security standard LPS 1175 level 2. I would like to see the car park to comply with the principles of the 'Park Mark' scheme. I would recommend consideration be given to the installation of gates to prevent or control access to the car park during out of hours periods.
