**Subject:** Planning App: 10/05199/EFUL

Planning Officer - BANES,

Farrington Gurney Parish Council are unanimous in their objection to Planning Application 10/05199/EFUL -Change of use for Stowey Quarry

We are very concerned that the deposit of this type of waste will lead to contamination of the local water supply.

The number of movements of heavy lorries predicted will also have a major affect on the health and safety of not only the local parish but also adjacent parishes. Local roads were not designed for such traffic.

We urge you to refuse the foresaid application.

Alan Parfitt

Clerk to Farrington Gurney Parish Council
