### Comments

-----

Submission Type:  
O - Objection

Comments:

West Harptree Parish Council strongly objects to this application for the following reasons.

1. Possible contamination of safe drinking water stored in Chew Valley Lake. At a time when water is at a premium.
2. Anticipated huge increase in lorry movements which will greatly affect local roads and will cause congestion on narrow lanes.
3. Noise and dust pollution, neither of which are acceptable and could cause health problems for residents in the future.
