Application No 10/05199/EFUL

We have received amended proposals for the above scheme. We do not wish to comment in detail, but offer the following general observations.

English Heritage Advice

We provided a response to the initial consultation for these proposals on 27 March 2012. We reiterate the advice given in that response.

Recommendation

We would urge you to address the above issues, and recommend that the application should be determined in accordance with national and local policy guidance, and on the basis of your specialist conservation advice. It is not necessary for us to be consulted again. However, if you would like further advice, please contact us to explain your request.

Yours sincerely
