Subject: Pickfords lower Bristol road

Dear Chris, I have several residents that have been in touch with me, with regard to the planning application for 204 new homes to be built on the site of Pickfords.

Pickfords have served as a removal and storage company for many years.

My residents living in Peasedown St John also use this for storage and find Pickfords to be easy and convenient for their requirements.

Please can you tell me, what is your recommendation for this planning application.

Are you going to recommend approval or decline this application.

I see from the comments on the planning portal, that many residents from all over Bath and Northeast Somerset have objected.

Will it be the case that this will be heard at Development management control committee.

And if it is, can you please provide me with the date.

Many thanks and I look forward to your reply.

Cllr Karen Walker
