Dear Geoff

Please find attached a draft revised Planning Application form and Article 7 notice following receipt of your letter yesterday.

Could you please confirm the following:

- Whether or not we should amend the submission date (i.e: keep the 28th March or change it to the 5th April). Obviously we would prefer to keep the 28th March date.
- We have also attached the area table with a sketch (WE_394_B_SK_057) showing the external raised area as well as the building area. Could you please advised on how you wish us to proceed with the calculation of the Planning Fee and how do you wish us to fill the section 16 of the attached draft Planning Application form.

On receipt of your response on the 2 above points we will resubmit the revised form. Could you please confirm if you wish us to resubmit 10 paper copies or whether an electronic PDF version will suffice.

Regards,

Robin Phillips
