I notice that there are only 5 objections posted on the public access to planning page for  
07/01044/LBA  
( Newark Works). I was speaking to someone today who said she submitted a letter quite some time  
ago ,  
but I note that this is not posted on the application page.( ZOEY MOSS; 23,The Circus,Bath)

Is there a delay factor with posting the objections ?

Also,will emails received on Saturday 12th May be accepted?

many thanks

Christopher
