Dear Mr Williams

It is now too late for you to make representations for this Council to taker into account, as the matter has been reported to the Development Control Committee, where it was decided that Members support the scheme. However, the case no has to be referred to the Secretary of State for a decision, and you may make representations to the Government Office in Bristol so that they could be considered by the Secretary of State. You might wish to telephone Mr Phil Warry at the Government Office (0117 9001880) in order to discuss how to proceed. Please be aware, however, that it will be a week or so from now before the case is actually referred on by us.

I trust that this answers your query.
