Dear Stuart

The application was approved last year subject to a legal agreement. The required agreement was complicated hence took a long time to finalise however it is my understanding the agreement was finally completed and signed last week when I was on holiday. If that is the case the decision notice will be issued imminently.

regards

Hi

Could please tell me the present situation with this app. It would appear its well past its determination date so does this mean the applicant is deemed to have approval ?

I guess this may be a development that fell foul of the scrapping of the old regional scheme by the present government.

I don't no the extent of the green belt around Midsomer Norton but if this site is not within it it certainly is on green agricultural land.

Incidentally Banes could do with some lessons in customer service. I have been trying for weeks to obtain this info.  
Thanks in anticipation.

Regards

Stuart
