**Subject:** Re : application 10/04015/FUL

Dear Ms Raine

Variation of Condition 2 (Plans List) of application 10/04015/FUL (Erection 112no. dwellings with access from Withies Park (including a new bridge across the River Somer), landscaping and associated works.).

I write to you as agent for the above planning application. I can advise that having considered the proposals my view is that the car ports that would be located forward of 2 of the 3 dwellings and which would be prominent within the street scene including from a side aspect would be an incongruous feature and therefore could not be supported. You may wish to withdraw the application made however in the event the application is not withdrawn within 7 days of this e-mail I will proceed to determine the application.

regards
