

**Town and Country Planning Act 1990
Town and Country Planning (Environmental Impact Assessment) Regulations 2011**

NOTIFICATION OF DECISION

Application Type: **Full Application with an EIA attached** Application No: **10/05199/EFUL**

Address to which the proposal relates: **Stowey Quarry Stowey Road Stowey Bristol**

Description of Proposal: **Restoration of Stowey Quarry by landfilling of Stable Non-Reactive Hazardous Waste (SNRHW) including asbestos and inert wastes and that the application is accompanied by an environmental statement**

Application submitted by: **Mr Larry Edmunds**

The above development is **REFUSED** in accordance with the application, plans and drawings submitted by you for the reason(s) set out below:

1 It has not been demonstrated that this is an appropriate location for the disposal of the non-asbestos stable non-reactive hazardous waste stream because there is insufficient information on the leachate generation potential of the proposed waste streams, the extent of the unsaturated zone below the quarry floor and the contribution to the flow regime and potential pathways for groundwater discharge from the landfill to determine the likelihood of significant adverse effects on the water and ecology interests of the Chew Valley Reservoir Special Protection Area. The proposed development is therefore contrary to policies 8, 11 and 12 of the West of England Joint Waste Core Strategy and policies NE10 and NE13 of the Bath and North East Somerset Local Plan, including minerals and waste policies, adopted October 2007.
