

PROPOSED MEZZANINE PLAN

- MEZZANINE NOTES
- Mezzanine introduced within lofty interior space. Shape of mezzanine influenced by circular lanterns above. See details:
  - Stair up to mezzanine also to follow curve of lantern above. See details:
  - Mezzanine and stair to be simply detailed with glass balustrades to allow diners to look down into main area. See detail:
  - The mezzanine detailing to be contrastingly modern within the historical interior. See details:
  - Mezzanine construction to discretely contain air conditioning services. See details:
